The Company was able to confirm that applicable requirements for approval of each proposal are satisfied, by counting the number of voting rights (i) exercised by the day preceding the date of ordinary general meeting of shareholders and (ii) the numbers of approving and dissenting votes for/against each proposal cast by certain shareholders present at the meeting (including the presence by proxy), and that all proposals were duly approved in accordance with the Companies Act. Therefore, the Company has not counted the number of voting rights of certain shareholders present at the meeting, of which it was unable to confirm approval, dissent, or abstention.
